

Panuke Island Wind Project
Open House Comment Form
November 10, 2021

Thank you for attending the open house! We greatly appreciate your time and hope we have provided useful information and answered your questions. Your feedback, input, questions and comments are important to us as we plan this project.

Visual Assessment – Are there any viewpoints you think we should include in our visual simulations?

Sound and Shadow – After reviewing the locations of dwellings or buildings of interest (potential receptors) for our sound and shadow flicker modelling, do you know of any receptor(s) that may be missing from the map?

Do you have any **specific environmental, cultural, historical or community knowledge about the project site** to share with us?

In addition to the community benefits we have mentioned on the storyboards, are there **other areas, initiatives, charities, or organizations in the community the Project should support?**

Are you interested in participating in the **Community Liaison Committee (CLC)**?

- Yes – if so, please provide your contact information at the end of the form
- No

After attending the Open House, are you in **general support** of the Project?

- Yes
- No

Do you have other questions, comments, suggestions, feedback, or specific concerns you would like to share on the Project?

If you would like us to respond to comments or questions you have provided on this form, or if you would like to be on our Project mailing list, please provide your contact information below. **You may also submit this form without personal information.**
